**President of the United States of America**

Dear President,

I am writing to express my grave concern over the imprisonment of Chelsea Manning. She was sentenced to 35 years in prison, after leaking US government documents to the website WikiLeaks. The documents revealed potential human rights violations by US troops abroad.

I urge you to ensure Chelsea Manning is released immediately and ensure any serious abuses she exposed are investigated.

I furthermore ask you to protect whistleblowers who reveal information the public has a right to know.

Yours sincerely,
