Your Excellency,

Phyoe Phyoe Aung was arrested during a largely peaceful student protest in Myanmar. She and scores of other students and their supporters now face lengthy jail terms. Some were held in solitary confinement and have limited access to lawyers.

Excellency, I urge you to:

- Release Phyoe Phyoe Aung and all the detained peaceful student protesters immediately and unconditionally.
- Ensure that, pending their release, they are not tortured or otherwise ill-treated; permitted regular contact with family members and lawyers of their choosing; and provided with any medical treatment which they may require.

This would reassure thousands of concerned world citizens like me that your country is still on a road towards genuine political reform and respect for human rights.

Yours sincerely,
